

Acknowledgements & Use of the logo

In the funding contract, the principal investigator agrees to note the support provided by Velux Stiftung in a suitable manner in every publication and/or public or private presentation of the project.

THE ACKNOWLEDGEMENTS

- Please use the following terms: supported, financed, initiated, made possible, provided with start-up financing, and provided a grant, to acknowledge the foundation's support.
- The term sponsoring should be avoided.

THE LOGO

The lettering/logo of Velux Stiftung can be downloaded on our website in various graphical formats.

- The logo of Velux Stiftung has to be presented on screen presentations and poster presentations. It may be omitted only in exceptional cases.
- The logo should always be displayed at a size readily legible.
- The logo should be placed horizontally.
- Please use the available formats as follows:
 - PNG, JPG or TIF for screen presentations and
 - EPS for print products (e.g. a poster).
