

DAYLIGHT AWARD 2007

- WINNER **Bob Gysin + Partner Architects BGP** in Zurich
with a sum of CHF 100'000
- OBJECT: **Forum Chriesbach**, an office building for the Swiss Federal Institute for Environmental Science and Technology (www.forumchriesbach.eawag.ch) in Dübendorf. According to the jury, the building is outstanding by its optimal, comprehensive and deliberate utilisation of daylight, thereby setting new standards of sustainability with innovative combination of important aspects such as lighting, heating and energy.

HONORARY AWARDS 2007

Bearth & Deplazes Architects, Chur & Zurich
Gramazio & Kohler Architects, Zurich
for putting specific emphasis on the use of daylight in the
Gantenbein Vineyard in Fläsch

AND

Cruz & Ortiz Architects, Sevilla
Giraudi & Wettstein Architects, Lugano
for "the significant valorisation of a public traffic area
through inclusion of daylight " (jury) and for the "intimate
connection between tradition and innovation" (panel) in the
Pedestrian bridge at Railway Station Basel SBB
